SUNLIGHT 24V 300Ah Traction Battery

Battery / Accu | SUNLIGHT | 0265127-SL

Multi-shift traction cycles demand a battery that sustains discharge depth without capacity loss — PzB cell technology delivers proven deep cycling performance for sustained power delivery under heavy loads. This 300Ah unit integrates with industrial and logistics equipment for extended operational periods.

Features

- Extended operational periods with 300Ah capacity, ensuring your equipment stays powered through demanding shifts.
- Engineered for material handling equipment in industrial and logistics environments, guaranteeing reliable performance.
- PzB cell technology delivers proven deep cycling performance for sustained power delivery under heavy loads.
- Integrated aqua+ system and REMA 160 connector for simplified maintenance and secure, efficient power transfer.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	**300 Ah**	**248 kg**

Technical Specifications

General Information

Technology	**Traction Battery**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**645 mm**
Width	**245 mm**
Height	**570 mm**
Weight	**248 kg**

Electrical Specifications

Nominal Voltage	**24 V**
Rated Capacity (C20)	**300 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0265127-SL**
