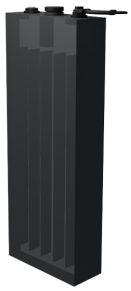
SUNLIGHT 9 PzS 720Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239316-SL



For multi-shift traction, our 720Ah PzS battery offers superior cycle life and sustained deep discharge without capacity loss. It ensures maximum fleet uptime and consistent power for demanding logistics operations.

Features

- Extended operational capacity of 720Ah ensures your fleet remains powered for longer durations, reducing the frequency of charging cycles and enhancing overall fleet uptime.
- Specifically designed for material handling equipment, this battery is engineered for the demanding duty cycles of forklifts, pallet trucks, and AGVs in industrial logistics.
- Utilizing PzS cell technology, this battery offers superior cycle life and deep discharge capabilities, providing a more consistent and reliable power output over its operational lifespan.
- Constructed for resilience in industrial environments, its robust build ensures protection against vibrations and operational stresses, contributing to its longevity and dependable performance.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**720 Ah**	**39,3 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**174 mm**
Width	**198 mm**
Height	**408 mm**
Weight	**39,3 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**720 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239316-SL**
Manufacturer Code:	**9 PzS**
