EXIDE 80V 625Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0263499-EX

Extended operational periods are enabled by the 625Ah capacity, minimizing recharge downtime and maximizing fleet productivity. This deep-cycle battery integrates advanced cell technology for consistent power delivery and enhanced longevity in demanding industrial applications.

Features

- The 625Ah capacity ensures extended operational periods, reducing the frequency of recharging and maximizing productivity for your fleet.
- Engineered for heavy-duty material handling equipment and industrial vehicles, providing reliable power for demanding work cycles.
- Features advanced cell technology for consistent power delivery and enhanced longevity, ensuring performance throughout its service life.
- Includes aqua+REMA320 connectivity for simplified and secure maintenance, minimizing downtime and operational risks.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
80 V	**625 Ah**	**1,476 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**23 mm**
Width	**849 mm**
Height	**627 mm**
Weight	**1,476 kg**

Electrical Specifications

Nominal Voltage	**80 V**
Rated Capacity (C20)	**625 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0263499-EX**
Manufacturer Code:	**5 EPzS**
