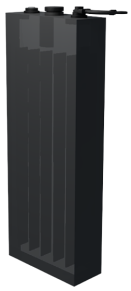
SUNLIGHT 3 PzS 270Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239319-SL



Extended operating times between charges are delivered by a substantial 270Ah capacity, ensuring continuous workflow for demanding applications. PzS cell technology provides deep-cycle resilience for sustained power output in electric forklifts and pallet trucks.

Features

- Extended operating times between charges due to a substantial 270Ah capacity, ensuring continuous workflow for demanding applications.
- Specifically engineered for electric forklifts, pallet trucks, and order pickers in warehouse and logistics environments.
- PzS cell technology delivers a balance of energy density and deep-cycle performance for sustained power output.
- Compact dimensions (65x198x478mm) ensure compatibility with a wide range of industrial electric vehicles.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**270 Ah**	**17 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**65 mm**
Width	**198 mm**
Height	**478 mm**
Weight	**17 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**270 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239319-SL**
Manufacturer Code:	**3 PzS**
