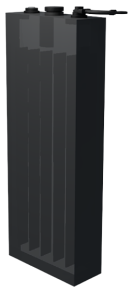
SUNLIGHT 3 Pcs 375Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239346-SL



Multi-shift traction cycles demand a battery cell that sustains discharge depth without capacity loss; this PzS cell delivers sustained 375Ah capacity for extended forklift operation per charge. Its proven tubular plate technology ensures enhanced durability and cycle life in demanding industrial environments.

Features

- Sustained 375Ah capacity for extended forklift operation per charge, enabling higher throughput in material handling.
- Specifically designed for electric forklift applications, ensuring compatibility and reliable performance in industrial environments.
- Utilizes proven PzS (Positive tubular, Special) technology for enhanced durability and cycle life in demanding traction applications.
- Optimized dimensions (65x198x600mm) and weight (21.2kg) for straightforward integration into standard forklift battery systems.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**375 Ah**	**21,2 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**65 mm**
Width	**198 mm**
Height	**568 mm**
Weight	**21,2 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**375 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239346-SL**
Manufacturer Code:	**3 PzS**
Model:	**1122030465**
