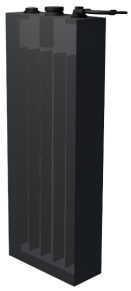
SUNLIGHT 7 PzS 875Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239350-SL



This 875Ah battery offers sustained capacity for demanding forklift use, ensuring extended operational uptime and minimizing workflow interruptions. Engineered for industrial material handling, it withstands rigorous deep-discharge and recharge cycles typical of forklift operations.

Features

- Sustained 875Ah capacity ensures extended operational uptime for demanding forklift applications, minimizing interruptions to your logistics workflow.
- Specifically engineered for industrial material handling, this battery is designed for the rigorous deep-discharge and recharge cycles characteristic of forklift operations.
- Proven lead-acid traction battery technology offers a dependable and cost-effective power solution, integrating seamlessly with standard industrial charging systems.
- Robust construction is built to withstand the vibrations and operational stresses of industrial environments, ensuring long-term reliability.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**875 Ah**	**46,5 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**137 mm**
Width	**198 mm**
Height	**570 mm**
Weight	**46,5 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**875 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239350-SL**
Manufacturer Code:	**7 PzS**
Model:	**11220801000**
