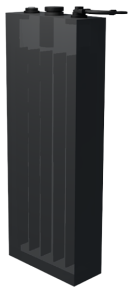
SUNLIGHT 6 PzS 930Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239367-SL



Featuring tubular plate technology, this battery offers superior cycle life and energy efficiency, sustaining 930Ah discharge for demanding industrial uses. Its robust build ensures extended uptime for electric vehicles and automation in logistics and manufacturing.

Features

- Extended operational uptime for electric vehicles thanks to its high 930Ah capacity, enabling longer shifts and reduced charging interruptions.
- Engineered for the rigorous demands of electric forklift fleets and industrial automation systems within logistics and manufacturing environments.
- Tubular plate technology delivers superior cycle life and energy efficiency compared to standard flat plate designs, ensuring long-term reliability.
- Robust construction and internal design features provide consistent power delivery and resilience against vibration and shock in harsh industrial settings.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**930 Ah**	**50,5 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**119 mm**
Width	**198 mm**
Height	**713 mm**
Weight	**50,5 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**930 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239367-SL**
Manufacturer Code:	**6 PzS**
