

# EXIDE 3 EPzS 240Ah Traction Cell

Battery / Accu | EXIDE | 0239310-EX

Without deep discharge tolerance and consistent power delivery, continuous workflow and productivity for electric industrial vehicles are compromised. This advanced cell technology sustains reliable performance throughout the workday, enabling extended operational runtimes and reduced charging frequency.

### Features

- Extended operational runtimes and reduced charging frequency, enabling continuous workflow and improved productivity for electric industrial vehicles.
- Specifically engineered for electric forklifts, pallet trucks, and material handling equipment in demanding logistics and warehousing environments.
- Advanced cell technology designed for deep discharge tolerance and consistent power delivery, ensuring reliable performance throughout the workday.
- Robust construction built to withstand the vibrations and operational stresses of industrial mobility applications, guaranteeing extended service life.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
<b>2 V</b>	<b>240 Ah</b>	<b>14,2 kg</b>

## Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Cell	Nominal Voltage	2 V
Chemistry	Lead-Acid	Rated Capacity (C20)	240 Ah
Physical Specifications			
Length	65 mm		
Width	198 mm		
Height	408 mm		
Weight	14,2 kg		

### Regulatory Compliance

**CE** Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3  
 Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **0239310-EX**  
 Manufacturer Code: **3 EPzS**
