SUNLIGHT 3 PzS 240Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239310-SL

In demanding material handling environments, sustained 240Ah capacity ensures extended operational periods for electric fleets, keeping critical tasks moving without interruption. Advanced PzS technology provides superior deep-cycle performance and longevity, crucial for consistent power delivery under heavy loads.

Features

- Sustained 240Ah capacity ensures extended operational periods for your electric fleet, keeping critical tasks moving without interruption.
- Engineered for demanding material handling environments, ideal for forklifts, pallet trucks, and AGVs in warehouses and manufacturing.
- Advanced PzS technology provides superior deep-cycle performance and longevity, crucial for consistent power delivery under heavy loads.
- Robust construction and reliable energy output contribute to minimized downtime and enhanced operational efficiency for your business.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**240 Ah**	**14,2 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**65 mm**
Width	**198 mm**
Height	**408 mm**
Weight	**14,2 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**240 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239310-SL**
Manufacturer Code:	**3 PzS**
