EXIDE 12V 125Ah Starter Battery

Battery / Accu | EXIDE | EF1251

850A cold-cranking power ensures reliable engine starts in all conditions, minimizing downtime and guaranteeing operational readiness. Engineered for heavy-duty commercial vehicles, it provides dependable power for critical start and auxiliary functions.

Features

- Delivers 850A cold-cranking power for reliable engine starts in all conditions, minimizing downtime and ensuring operational readiness.
- Engineered for heavy-duty trucks, agricultural machinery, and construction equipment, providing dependable power for critical start and auxiliary functions.
- Utilizes advanced battery technology for consistent high performance, offering a robust solution for demanding commercial vehicle applications.
- Constructed with durable materials for enhanced vibration resistance and longevity, ensuring stable power delivery in harsh operating environments.
