SUNLIGHT 4 PzS 320Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239311-SL

Warehouse operations requiring sustained power for electric forklifts demand high-cycle resilience. PzS tubular plate technology delivers 320Ah capacity under deep discharge conditions, extending operational periods and maximising fleet productivity.

Features

- Sustained 320Ah capacity ensures extended operational periods, maximizing fleet productivity and minimizing charging downtime.
- Engineered for intensive use in electric forklifts and industrial trucks within warehouse and manufacturing environments.
- PzS tubular plate technology provides superior deep-cycling performance and extended service life under heavy discharge conditions.
- Robust construction and 2V design ensure reliable power delivery and integration for heavy-duty material handling equipment.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**320 Ah**	**18,4 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**83 mm**
Width	**198 mm**
Height	**408 mm**
Weight	**18,4 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**320 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239311-SL**
Manufacturer Code:	**4 PzS**
