SUNLIGHT 24V 270Ah Traction Battery

Battery / Accu | SUNLIGHT | 0264204-SL

PzS tubular plate technology sustains 270Ah capacity for extended operational cycles, enabling electric vehicles to complete more tasks per charge. Specifically engineered for industrial material handling, it provides dependable power for forklifts and AGVs in demanding warehouse environments.

Features

- Sustained 270Ah capacity ensures extended operational cycles, enabling your electric vehicles to complete more tasks per charge and minimize downtime.
- Specifically engineered for industrial material handling applications, providing dependable power for forklifts, pallet trucks, and AGVs in demanding warehouse environments.
- Utilizes PzS tubular plate technology for superior deep-cycle performance and longevity, offering a more resilient and longer-lasting power source compared to standard flat-plate designs.
- Features the integrated aqua+ system for simplified watering and REMA 160 connectors for secure, quick, and safe electrical connections, enhancing operational safety and ease of use.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	**270 Ah**	**233 kg**

Technical Specifications

General Information

Technology	**Traction Battery**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**621 mm**
Width	**281 mm**
Height	**537 mm**
Weight	**233 kg**

Electrical Specifications

Nominal Voltage	**24 V**
Rated Capacity (C20)	**270 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0264204-SL**
Manufacturer Code:	**3 PzS**
