EXIDE 80V 750Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0266310-EX

80V system voltage sustains high power output for demanding traction applications, ensuring consistent energy delivery for heavy load cycles. The complete 750Ah EPzS configuration integrates aqua+ technology and REMA 320 connectors for enhanced safety and simplified maintenance in industrial environments.

Features

- Sustained 750Ah capacity and 80V system voltage ensure extended operational cycles and consistent power delivery for heavy load demands.
- Engineered for material handling equipment such as electric forklifts, pallet trucks, and AGVs in demanding industrial environments.
- Features aqua+ technology for enhanced safety and simplified maintenance, alongside REMA 320 connectors for superior electrical connectivity.
- Designed for seamless integration and immediate deployment, minimizing downtime and maximizing fleet productivity.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
80 V	**750 Ah**	**1,786 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**23 mm**
Width	**993 mm**
Height	**627 mm**
Weight	**1,786 kg**

Electrical Specifications

Nominal Voltage	**80 V**
Rated Capacity (C20)	**750 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0266310-EX**
Manufacturer Code:	**6 EPzS**
