SUNLIGHT 4 PzS 480Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239313-SL

A 480Ah capacity sustains power for demanding forklift operations, enabling extended work cycles and fewer charging interruptions. This lead-acid battery integrates seamlessly into material handling systems, providing reliable energy for critical warehouse tasks.

Features

- Delivers sustained power for demanding forklift operations with its 480Ah capacity, enabling longer work cycles and reduced charging interruptions.
- Specifically engineered for forklift applications, ensuring compatibility and optimal performance in material handling environments.
- Utilizes proven lead-acid technology for a cost-effective and reliable energy source, balancing performance with total cost of ownership.
- Compact dimensions of 119x198x428mm ensure efficient integration into industrial vehicle chassis, maximizing space utilization.
