

SUNLIGHT 7 PzS 560Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239314-SL

High-capacity 560Ah output sustains electric material handling equipment operation for extended periods, maximizing fleet uptime. PzS tubular plate technology ensures superior deep-cycling performance and extended service life in demanding industrial applications.

Features

- Delivers sustained high-capacity power (560Ah) to keep electric material handling equipment operational for longer periods, maximizing fleet uptime and efficiency.
- Specifically engineered for electric forklifts, AGVs, and other industrial vehicles in demanding logistics and manufacturing environments.
- Utilizes robust PzS tubular plate technology for superior deep-cycling performance and extended service life in high-usage applications.
- Designed for durability and consistent performance in challenging industrial settings, ensuring reliability for critical operations.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	560 Ah	31,3 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Cell	Nominal Voltage	2 V
Chemistry	Lead-Acid	Rated Capacity (C20)	560 Ah
Physical Specifications			
Length	137 mm		
Width	198 mm		
Height	408 mm		
Weight	31,3 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0239314-SL**
 Manufacturer Code: **7 PzS**
