EXIDE 24V 300Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0276805-EX

Integrated aqua+ simplifies maintenance and sustains battery health for electric industrial vehicles where re-installation is impractical. Its 300Ah capacity ensures machinery runs longer per shift, boosting productivity in logistics and manufacturing.

Features

- Extended operational cycles with a 300Ah capacity ensure machinery runs for more hours per shift, boosting productivity.
- Engineered for electric industrial vehicles such as forklifts, pallet trucks, and aerial work platforms in demanding logistics and manufacturing environments.
- The integrated aqua+ system simplifies maintenance procedures, reducing operational overhead and ensuring consistent battery health.
- Features a secure REMA connector for reliable and efficient power transfer, enhancing safety and operational continuity.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	**300 Ah**	**245 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**654 mm**
Width	**194 mm**
Height	**675 mm**
Weight	**245 kg**

Electrical Specifications

Nominal Voltage	**24 V**
Rated Capacity (C20)	**300 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0276805-EX**
Manufacturer Code:	**3 EPzB**
