EXIDE 24V 400Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0276806-EX

For challenging electric industrial vehicle maintenance, the integrated aqua+ system and REMA 160 connector simplify servicing and power transfer. This 24V 400Ah traction battery ensures extended uptime in demanding logistics operations with its high capacity.

Features

- Experience extended operational uptime with 400Ah capacity, ensuring your electric industrial vehicles remain powered through demanding work shifts.
- Engineered for the demanding operational environments of forklifts, pallet trucks, and AGVs in warehousing and logistics.
- Features an integrated aqua+ system and REMA 160 connector for simplified maintenance and efficient, safe power transfer.
- Built to withstand the rigors of industrial use, offering robust protection and reliable connectivity for consistent power delivery.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	**400 Ah**	**310 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**654 mm**
Width	**242 mm**
Height	**675 mm**
Weight	**310 kg**

Electrical Specifications

Nominal Voltage	**24 V**
Rated Capacity (C20)	**400 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0276806-EX**
Manufacturer Code:	**4 EPzB**
