

SUNLIGHT 9 PzS 720Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239316-SL

For multi-shift traction, our 720Ah PzS battery offers superior cycle life and sustained deep discharge without capacity loss. It ensures maximum fleet uptime and consistent power for demanding logistics operations.

Features

- Extended operational capacity of 720Ah ensures your fleet remains powered for longer durations, reducing the frequency of charging cycles and enhancing overall fleet uptime.
- Specifically designed for material handling equipment, this battery is engineered for the demanding duty cycles of forklifts, pallet trucks, and AGVs in industrial logistics.
- Utilizing PzS cell technology, this battery offers superior cycle life and deep discharge capabilities, providing a more consistent and reliable power output over its operational lifespan.
- Constructed for resilience in industrial environments, its robust build ensures protection against vibrations and operational stresses, contributing to its longevity and dependable performance.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	720 Ah	39,3 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Cell	Nominal Voltage	2 V
Chemistry	Lead-Acid	Rated Capacity (C20)	720 Ah
Physical Specifications			
Length	174 mm		
Width	198 mm		
Height	408 mm		
Weight	39,3 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0239316-SL**
 Manufacturer Code: **9 PzS**
