SUNLIGHT 2 PzS 180Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239318-SL

Busy warehouse operations require sustained power for electric forklifts to maintain material handling continuity. PzS tubular plate technology delivers extended cycle life and deep discharge resilience, ensuring uninterrupted fleet performance.

Features

- Sustained 180Ah capacity ensures extended operational runtimes for electric forklifts, keeping your material handling operations moving without interruption.
- Specifically engineered for electric forklift applications within busy warehouses, distribution centers, and manufacturing facilities.
- Utilizes PzS tubular plate technology for enhanced cycle life and deep discharge resilience, offering superior durability over flat-plate designs.
- Designed for reliable integration into standard forklift battery compartments with precise dimensions of 47x198x495mm.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**180 Ah**	**11,9 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**47 mm**
Width	**198 mm**
Height	**478 mm**
Weight	**11,9 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**180 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239318-SL**
Manufacturer Code:	**1122020230**
Model:	**2 PzS**
