POWERBOOZT 12V 300W Pure Sine Inverter

Inverter / Omvormer | POWERBOOZT | PB-RHINO-300-12

Without pure sine wave output, sensitive electronics risk damage and performance degradation from power interference. This 12V-230Vac inverter replicates grid-quality power, ensuring optimal operation for laptops, medical devices, and other delicate equipment in mobile applications.

Features

- Delivers pure sine wave power, safeguarding sensitive electronics like laptops and medical devices from damage and ensuring optimal performance.
- Engineered for mobile environments, providing reliable AC power for caravans, campers, automotive, and marine applications.
- Utilizes pure sine wave technology to replicate grid-quality power, preventing interference and operational issues with delicate electronics.
- Features a compact and durable design with a weight of 2kg, making it easy to install and integrate into existing 12V systems without compromising space.

CONTINUOUS POWER	NOMINAL OUTPUT VOLTAGE	WEIGHT
300 W	**230 V**	**2 kg**

Technical Specifications

Input	
Nominal Input Voltage	**12 V DC**

Power	
Continuous Power	**300 W**

Output	
Nominal Output Voltage	**230 V AC**
Waveform	**PURE_SINE**

Physical Specifications	
Weight	**2 kg**

Regulatory Compliance

Standards: EN 62109-1, EN 62109-2, EN 55011
Regulatory: CE

Product Identification

Item Code:	**PB-RHINO-300-12**
EAN/Barcode:	**8720165614141**
Manufacturer Code:	**PB-RHINO-300-12**
