

SUNLIGHT 3 PzS 270Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239319-SL

Extended operating times between charges are delivered by a substantial 270Ah capacity, ensuring continuous workflow for demanding applications. PzS cell technology provides deep-cycle resilience for sustained power output in electric forklifts and pallet trucks.

Features

- Extended operating times between charges due to a substantial 270Ah capacity, ensuring continuous workflow for demanding applications.
- Specifically engineered for electric forklifts, pallet trucks, and order pickers in warehouse and logistics environments.
- PzS cell technology delivers a balance of energy density and deep-cycle performance for sustained power output.
- Compact dimensions (65x198x478mm) ensure compatibility with a wide range of industrial electric vehicles.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	270 Ah	17 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Cell	Nominal Voltage	2 V
Chemistry	Lead-Acid	Rated Capacity (C20)	270 Ah
Physical Specifications			
Length	65 mm		
Width	198 mm		
Height	478 mm		
Weight	17 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0239319-SL**
 Manufacturer Code: **3 PzS**
