

SUNLIGHT 5 PzS 450Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239321-SL

PzS tubular plate technology provides superior deep discharge resilience, sustaining energy delivery across demanding multi-shift industrial operations. Engineered for forklifts and AGVs, this battery's 450Ah capacity maximizes equipment uptime by extending operating hours and reducing charging frequency.

Features

- Experience extended operating hours and reduced charging frequency thanks to a substantial 450Ah capacity, maximizing your equipment's uptime.
- Engineered for the rigorous demands of material handling, this battery is specifically designed for forklifts, AGVs, and other industrial electric vehicles.
- Benefit from PzS tubular plate technology, delivering enhanced cycle life and deep discharge resilience for superior long-term performance and value.
- Designed for robust industrial environments, ensuring reliable power delivery and consistent performance under challenging operational conditions.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	450 Ah	27,1 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	2 V
Chemistry	Lead-Acid	Rated Capacity (C20)	450 Ah
Physical Specifications			
Length	101 mm		
Width	198 mm		
Height	478 mm		
Weight	27,1 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0239321-SL**
 Manufacturer Code: **5 PzS**
