SUNLIGHT 6 Pcs 540Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239322-SL

PzS cell technology offers superior energy density and longevity for sustained high performance, handling deep discharge without capacity loss. This 540Ah unit keeps your electric fleet productive throughout the workday, engineered for material handling rigors.

Features

- Extended operational uptime with a substantial 540Ah capacity, ensuring your electric fleet remains productive throughout the workday.
- Engineered for the rigors of material handling, this battery is specifically designed for electric forklifts, pallet trucks, and other industrial vehicles.
- Features advanced PzS cell technology, delivering superior energy density and longevity for sustained high performance and fewer replacements.
- Designed for compatibility within standard industrial vehicle battery compartments, facilitating seamless integration into existing fleets.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**540 Ah**	**32,2 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**119 mm**
Width	**198 mm**
Height	**478 mm**
Weight	**32,2 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**540 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239322-SL**
Manufacturer Code:	**6 PzS**
