

SUNLIGHT 9 PzS 810Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239325-SL

810Ah capacity ensures extended operational uptime and reduced charging cycles in demanding material handling applications. Tubular plate PzS technology delivers consistent power output and a prolonged service life for electric forklifts and AGVs.

Features

- Experience extended operational uptime and reduced charging cycles thanks to the high 810Ah capacity, ensuring your equipment remains powered through demanding shifts.
- Engineered for intensive use in material handling, this battery is specifically designed for electric forklifts, industrial sweepers, and AGVs operating in warehouse and logistics environments.
- Benefit from the longevity and deep discharge capabilities of PzS tubular plate technology, delivering consistent power output and a prolonged service life.
- Built with robust materials and construction, this battery offers exceptional durability and resistance to vibrations, ensuring reliable performance in harsh industrial conditions.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	810 Ah	47,4 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	2 V
Chemistry	Lead-Acid	Rated Capacity (C20)	810 Ah
Physical Specifications			
Length	174 mm		
Width	198 mm		
Height	478 mm		
Weight	47,4 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0239325-SL**
 Manufacturer Code: **9 PzS**
