EXIDE 4 EPzS 500Ah Traction Cell

Battery / Accu | EXIDE | 0239347-EX

The 500Ah rating extends operational duration for industrial electric vehicles, sustaining multi-shift logistics and manufacturing with extended uptime. This advanced lead-acid cell offers dependable deep discharge and a long service life for forklifts, sweepers, and AGVs.

Features

- With 500Ah capacity, this cell ensures extended operational periods for industrial electric vehicles, significantly reducing the frequency of recharging and maximizing uptime.
- Engineered for high-cycle applications, this cell is specifically designed for the demands of electric forklifts, sweepers, and AGVs in logistics and manufacturing environments.
- Utilizing advanced lead-acid technology, this cell provides dependable deep discharge capabilities and a long service life essential for industrial traction applications.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**500 Ah**	**27,4 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**83 mm**
Width	**198 mm**
Height	**568 mm**
Weight	**27,4 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**500 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239347-EX**
Manufacturer Code:	**4 EPzS**
