

SUNLIGHT 4 PzS 500Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239347-SL

High-utilisation deep-cycle operation across multiple shifts demands a battery with enhanced energy density. The 500Ah capacity minimises recharging frequency, directly extending operational uptime in demanding material handling tasks.

Features

- Extended operational uptime for demanding material handling tasks, thanks to a high 500Ah capacity that minimizes recharging frequency.
- Specifically engineered for heavy-duty forklift operations in industrial warehouses and logistics centers.
- Optimized lead-acid cyclic performance ensures thousands of reliable charge/discharge cycles for sustained operational power.
- Built for the rigors of industrial environments, offering consistent power delivery for continuous material handling.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	500 Ah	27,4 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	2 V
Chemistry	Lead-Acid	Rated Capacity (C20)	500 Ah
Physical Specifications			
Length	83 mm		
Width	198 mm		
Height	570 mm		
Weight	27,4 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0239347-SL**
 Manufacturer Code: **4 PzS**
 Model: **1122040620**
