SUNLIGHT 6 PzS 750Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239349-SL

Advanced PzS tubular plate technology ensures superior cycle life and deep discharge capability, sustaining 750Ah for demanding traction vehicle operations. This battery integrates directly into electric forklifts, maximizing fleet readiness and operational uptime in industrial environments.

Features

- Sustained 750Ah capacity ensures extended operational periods for heavy-duty traction vehicles, maximizing productivity between charges.
- Specifically engineered for powering electric forklifts in demanding warehouse and industrial environments, ensuring fleet readiness.
- Utilizes advanced PzS tubular plate technology for superior cycle life and deep discharge capability, delivering reliable power over thousands of cycles.
- Designed with robust lead-acid chemistry for dependable performance and resilience in challenging operational conditions.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**750 Ah**	**40,3 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**119 mm**
Width	**198 mm**
Height	**570 mm**
Weight	**40,3 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**750 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239349-SL**
Manufacturer Code:	**6 PzS**
Model:	**1122070875**
