

SUNLIGHT 8 PzS 1000Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239351-SL

Sustained 1000Ah capacity ensures extended operational cycles for forklifts and heavy-duty electric vehicles, minimising mid-shift recharging needs. Specifically engineered for powering industrial material handling equipment, it offers reliable, deep-cycling performance.

Features

- Sustained 1000Ah capacity ensures extended operational cycles for forklifts and heavy-duty electric vehicles, minimizing mid-shift recharging needs.
- Specifically engineered for powering forklifts and industrial electric vehicles in demanding material handling environments.
- Utilizes proven lead-acid technology for reliable, deep-cycling performance and cost-effective energy storage.
- Robust construction ensures durability and longevity, reducing the frequency of battery replacements and associated maintenance costs.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	1.000 Ah	53,1 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Cell	Nominal Voltage	2 V
Chemistry	Lead-Acid	Rated Capacity (C20)	1.000 Ah
Physical Specifications			
Length	155 mm		
Width	198 mm		
Height	600 mm		
Weight	53,1 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0239351-SL**
 Manufacturer Code: **PzS**
 Model: **1122081240**
