SUNLIGHT 6 PzS 840Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239358-SL

Without 840Ah capacity, material handling equipment risks frequent recharging and reduced fleet efficiency. This battery powers electric forklifts and AGVs in demanding logistics environments where reliability is critical.

Features

- The 840Ah capacity ensures extended operational uptime for your material handling equipment, reducing the frequency of recharging and boosting overall fleet efficiency.
- Engineered for electric forklifts and AGVs, this battery powers operations in demanding logistics and manufacturing environments where reliability is critical.
- Utilizing advanced PzS technology, the battery offers superior energy density and a longer service life compared to standard alternatives, contributing to reduced operational costs.
- Designed for seamless integration, its precise dimensions facilitate easy installation into a wide array of industrial vehicles, ensuring compatibility and minimizing retrofitting effort.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**840 Ah**	**46,7 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**119 mm**
Width	**198 mm**
Height	**683 mm**
Weight	**46,7 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**840 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239358-SL**
Manufacturer Code:	**6 PzS**
