GYS PBT700 24V Battery Analyzer

Battery Tester / Accutester | GYS | GYS024229

Accurate testing of 12V and 24V batteries, including advanced START/STOP systems, ensures precise diagnosis of vehicle starting and auxiliary power sources. Engineered for automotive workshops and fleet management, its integrated printer provides immediate, professional test reports for service documentation.

Features

- Accurate testing of 12V and 24V batteries, including advanced START/STOP systems, ensures precise diagnosis of vehicle starting and auxiliary power sources.
- Engineered for automotive workshops, fleet management, and battery specialists requiring reliable diagnostic tools for diverse vehicle electrical systems.
- Integrated printer provides immediate, professional test reports for service documentation and transparent customer communication.
- Supports comprehensive battery health and performance analysis, identifying potential failures before they impact vehicle operation.

WEIGHT

10 kg

Technical Specifications

Test Capabilities	
Battery Testing	**? Yes**

Voltage Support	
12V Support	**? Yes**

Battery Type Support	
Flooded Lead-Acid	**? Yes**
AGM	**? Yes**
GEL	**? Yes**
EFB	**? Yes**

Physical Specifications	
Weight	**10 kg**

Regulatory Compliance

CE

Standards: EN 61010-1, EN 61326-1

Regulatory: CE

Product Identification

Item Code:	**GYS024229**
Manufacturer Code:	**GYSPBT700**
Model:	**GYS024229**
