SUNLIGHT 3 PzS 465Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239363-SL

Ensure sustained 465Ah capacity for material handling equipment to avoid premature recharging and boost productivity. This 2V lead-acid traction cell provides consistent power, extending uptime and maximizing fleet efficiency in demanding logistics.

Features

- 465Ah capacity ensures extended operational uptime for material handling equipment, reducing the frequency of recharging and maximizing productivity.
- Specifically engineered for forklift applications, providing reliable and consistent power for demanding warehouse and logistics environments.
- Utilizes proven lead-acid technology for a cost-effective, durable, and dependable power solution capable of withstanding frequent charge-discharge cycles.
- Designed for seamless integration into standard forklift electrical systems with a 2V voltage, ensuring compatibility and straightforward installation.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**465 Ah**	**26,7 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**65 mm**
Width	**198 mm**
Height	**713 mm**
Weight	**26,7 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**465 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239363-SL**
Manufacturer Code:	**3 PzS**
Model:	**1122040240**
