EXIDE 4 EPzS 620Ah Traction Cell

Battery / Accu | EXIDE | 0239365-EX

Sustained 620Ah capacity provides extended operational periods, maximizing vehicle uptime and productivity. This traction cell utilizes robust tubular plate technology for superior deep-cycle performance and extended service life in demanding industrial settings.

Features

- Sustained 620Ah capacity provides extended operational periods, maximizing vehicle uptime and productivity.
- Specifically engineered for electric industrial vehicles such as forklifts, sweepers, and AGVs in demanding logistics and manufacturing settings.
- Utilizes robust tubular plate technology for superior deep-cycle performance and extended service life compared to conventional flat-plate batteries.
- Designed for resilience against vibration and shock, ensuring reliable performance in harsh industrial environments.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**620 Ah**	**34,6 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**83 mm**
Width	**198 mm**
Height	**713 mm**
Weight	**34,6 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**620 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0239365-EX**
Manufacturer Code:	**4 EPzS**
