

SUNLIGHT 5 PzS 775Ah Traction Cell

Battery / Accu | SUNLIGHT | 0239366-SL

PzS tubular plate technology ensures exceptional durability and a longer service life, sustaining operational continuity in demanding deep-cycle applications. This 775Ah capacity battery reliably powers material handling equipment, enabling extended work cycles and reduced recharging frequency.

Features

- Extended operational uptime with a substantial 775Ah capacity, enabling longer work cycles and reducing the frequency of recharging.
- Engineered for material handling equipment in warehouses and distribution centers, ensuring reliable power for forklifts and pallet trucks.
- PzS tubular plate technology provides enhanced durability and a longer service life, crucial for demanding deep-cycle applications.
- Designed for integration into standard industrial vehicle battery compartments, facilitating straightforward installation and maintenance.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
