POWERBOOZT 24V 300W Pure Sine Inverter

Inverter / Omvormer | POWERBOOZT | PB-RHINO-300-24

In mobile and off-grid power architectures where clean power is critical, pure sine wave output at 300W protects sensitive electronics from waveform distortion. This 24V inverter provides mains-equivalent power, ensuring operational continuity for valuable devices in caravans, automotive, and marine applications.

Features

- Delivers 300W of pure sine wave power, ensuring safe operation for sensitive electronics and preventing damage from power fluctuations.
- Designed for demanding mobile and off-grid applications including caravans, automotive, marine, and camper setups.
- Utilizes pure sine wave technology to provide clean power equivalent to mains electricity, protecting your valuable devices.
- Compact and lightweight at 2kg, allowing for straightforward installation in space-constrained environments like vehicles and boats.

CONTINUOUS POWER	NOMINAL OUTPUT VOLTAGE	WEIGHT
300 W	**230 V**	**2 kg**

Technical Specifications

Input	
Nominal Input Voltage	**24 V DC**

Power	
Continuous Power	**300 W**

Output	
Nominal Output Voltage	**230 V AC**
Waveform	**PURE_SINE**

Physical Specifications	
Weight	**2 kg**

Regulatory Compliance

Standards: EN 62109-1, EN 62109-2, EN 55011
Regulatory: CE

Product Identification

Item Code:	**PB-RHINO-300-24**
EAN/Barcode:	**8719325860320**
Manufacturer Code:	**PB-RHINO-300-24**
