SUNLIGHT 2 PzB 200Ah Traction Battery

Battery / Accu | SUNLIGHT | 0247706-SL

Sustained 200Ah capacity ensures extended operational periods, minimising recharging interruptions for material handling equipment. PzB cell technology delivers consistent power output and a longer service life, reducing replacement frequency in logistics and warehousing.

Features

- Sustained 200Ah capacity ensures extended operational periods and fewer recharging interruptions for your material handling equipment.
- Optimized for electric forklifts, pallet trucks, and industrial cleaning machines in logistics and warehousing environments.
- PzB cell technology delivers consistent power output and contributes to a longer service life, reducing replacement frequency.
- Robust design and reliable energy discharge support demanding industrial applications with consistent performance.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
2 V	**200 Ah**	**12,3 kg**

Technical Specifications

General Information

Technology	**Traction Cell**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**45 mm**
Width	**158 mm**
Height	**606 mm**
Weight	**12,3 kg**

Electrical Specifications

Nominal Voltage	**2 V**
Rated Capacity (C20)	**200 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0247706-SL**
Manufacturer Code:	**2 PzB**
