EXIDE 24V 2 EPzS 250Ah Traction Battery

Battery / Accu | EXIDE | 0261851-EX

Industrial material handling operations require deep-cycle resilience for sustained energy delivery. EPzS technology ensures robust performance through repeated deep discharge and recharge cycles, vital for high-utilization machinery. This 24V 250Ah battery provides operational continuity throughout demanding shifts.

Features

- Sustained 250Ah capacity ensures your material handling equipment operates throughout demanding shifts without interruption.
- Engineered for forklifts, pallet trucks, and other industrial vehicles requiring dependable deep-cycle power.
- EPzS technology delivers robust performance through repeated deep discharge and recharge cycles, vital for high-utilization machinery.
- Features aqua+REMA80 connections for seamless integration and reliable electrical contact in industrial settings.
