SUNLIGHT 24V 2PzS 250Ah Traction Battery

Battery / Accu | SUNLIGHT | 0261851-SL

Sustain demanding shifts with this 250Ah lead-acid traction battery, engineered for deep cycling and consistent power delivery. It ensures extended operational uptime for electric forklifts and industrial material handling in heavy-duty warehouse and logistics.

Features

- Extended operational uptime with a 250Ah capacity, ensuring your forklifts remain productive throughout demanding shifts.
- Engineered for electric forklifts and industrial material handling equipment operating in busy warehouse and logistics environments.
- Utilizes proven lead-acid technology optimized for deep cycling and consistent power delivery in heavy-duty applications.
- Includes aqua+REMA80 connection for safe, efficient maintenance and integration into standard forklift battery compartments.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	**250 Ah**	**214 kg**

Technical Specifications

General Information

Technology	**Traction Battery**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**621 mm**
Width	**209 mm**
Height	**627 mm**
Weight	**214 kg**

Electrical Specifications

Nominal Voltage	**24 V**
Rated Capacity (C20)	**250 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0261851-SL**
Manufacturer Code:	**11124020250**
