

SUNLIGHT 24V 2PzS 250Ah Traction Battery

Battery / Accu | SUNLIGHT | 0261851-SL

Sustain demanding shifts with this 250Ah lead-acid traction battery, engineered for deep cycling and consistent power delivery. It ensures extended operational uptime for electric forklifts and industrial material handling in heavy-duty warehouse and logistics.

Features

- Extended operational uptime with a 250Ah capacity, ensuring your forklifts remain productive throughout demanding shifts.
- Engineered for electric forklifts and industrial material handling equipment operating in busy warehouse and logistics environments.
- Utilizes proven lead-acid technology optimized for deep cycling and consistent power delivery in heavy-duty applications.
- Includes aqua+REMA80 connection for safe, efficient maintenance and integration into standard forklift battery compartments.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	250 Ah	214 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	24 V
Chemistry	Lead-Acid	Rated Capacity (C20)	250 Ah
Physical Specifications			
Length	621 mm		
Width	209 mm		
Height	627 mm		
Weight	214 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0261851-SL**
 Manufacturer Code: **11124020250**
