SUNLIGHT 24V 3 PzS 375Ah Traction Battery

Battery / Accu | SUNLIGHT | 0261853-SL

Extended operational uptime is achieved with 375Ah capacity, enabling longer work cycles for your electric fleet and reducing recharging frequency. This battery integrates the aqua+ system and REMA 160 connector for simplified maintenance and secure power transfer, enhancing operational safety.

Features

- Experience extended operational uptime with 375Ah capacity, enabling longer work cycles for your electric fleet and reducing the frequency of recharging.
- Specifically designed for material handling equipment like forklifts and pallet trucks, ensuring seamless integration and reliable power in industrial warehouses and logistics centers.
- Featuring the integrated aqua+ system and REMA 160 connector for simplified maintenance and secure, efficient power transfer, enhancing operational safety and ease of use.
- Built to DIN-B standards, this battery offers proven compatibility with a wide array of European industrial vehicles and machinery, ensuring a straightforward fitment.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	**375 Ah**	**294 kg**

Technical Specifications

General Information

Technology	**Traction Battery**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**621 mm**
Width	**281 mm**
Height	**627 mm**
Weight	**294 kg**

Electrical Specifications

Nominal Voltage	**24 V**
Rated Capacity (C20)	**375 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0261853-SL**
Manufacturer Code:	**3 PzS**
