EXIDE 24V 7 EPzS 875Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0261855-EX

Multi-shift traction cycles demand a battery that sustains discharge depth without capacity loss; the integrated watering system manages electrolyte levels to extend cycle life. This 875Ah, 24V unit ensures operational continuity for demanding industrial equipment like forklifts and AGVs.

Features

- Sustained 875Ah capacity at 24V ensures extended operational periods, keeping your heavy-duty equipment running without interruption.
- Engineered for demanding industrial environments, it is the ideal power source for electric forklift trucks and automated guided vehicles (AGVs).
- Utilizes advanced traction battery technology to deliver consistent, reliable power output for intensive, long-duration applications.
- Features integrated aqua+REMA320 system for enhanced safety and simplified maintenance within industrial settings.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
24 V	**875 Ah**	**614 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**827 mm**
Width	**432 mm**
Height	**627 mm**
Weight	**614 kg**

Electrical Specifications

Nominal Voltage	**24 V**
Rated Capacity (C20)	**875 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0261855-EX**
Manufacturer Code:	**7 EPzS**
