

SUNLIGHT 48V 375Ah Traction Battery

Battery / Accu | SUNLIGHT | 0261867-SL

Sustained power for demanding, continuous high-load operation is vital, and this 375Ah battery delivers for electric forklifts and industrial vehicles. It ensures operational continuity and uninterrupted material flow, with robust construction and aqua+REMA160 connectors for reliable performance.

Features

- Sustained power delivery throughout the operational cycle, enabling extended equipment uptime and uninterrupted material flow.
- Engineered for electric forklifts, pallet trucks, and industrial vehicles within logistics, manufacturing, and warehousing environments.
- Robust construction and integrated aqua+REMA160 connectors ensure reliable performance and connectivity in demanding industrial settings.
- Designed for deep-cycle applications, providing the necessary endurance for continuous duty operations.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
48 V	375 Ah	564 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	48 V
Chemistry	Lead-Acid	Rated Capacity (C20)	375 Ah
Physical Specifications			
Length	827 mm		
Width	411 mm		
Height	627 mm		
Weight	564 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0261867-SL**
 Manufacturer Code: **3 PzS**
