EXIDE 48V 500Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0261868-EX

Experience extended uptime and reduced charging with 500Ah capacity, keeping equipment productive all day. Engineered for demanding industrial logistics, this battery offers sustained power and exceptional durability for continuous heavy-duty use.

Features

- Experience extended operational uptime and reduced charging frequency thanks to the 500Ah capacity, ensuring your equipment remains productive throughout the workday.
- Engineered for the rigorous demands of material handling and industrial logistics, this battery is optimized for forklifts and electric industrial vehicles.
- Leveraging advanced traction battery technology, this unit provides sustained power delivery and exceptional durability for continuous, heavy-duty operation.
- Features integrated aqua+REMA320 system for enhanced reliability and performance, ensuring compatibility and a robust connection for critical power applications.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
48 V	**500 Ah**	**719 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**827 mm**
Width	**519 mm**
Height	**627 mm**
Weight	**719 kg**

Electrical Specifications

Nominal Voltage	**48 V**
Rated Capacity (C20)	**500 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0261868-EX**
Manufacturer Code:	**4 EPzS**
