

SUNLIGHT 48V 500Ah Traction Battery

Battery / Accu | SUNLIGHT | 0261868-SL

Extended operational cycles powered by a 500Ah capacity at 48V, minimizing downtime and maximizing fleet productivity. Integrated aqua+ technology enhances operational safety and facilitates efficient maintenance routines.

Features

- Extended operational cycles powered by a 500Ah capacity at 48V, minimizing downtime and maximizing fleet productivity.
- Engineered for demanding industrial material handling applications, including electric forklifts and pallet trucks in logistics and manufacturing.
- Integrated aqua+ technology enhances operational safety and facilitates efficient maintenance routines.
- Robust construction and durable design ensure reliable energy delivery in challenging operational environments.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
48 V	500 Ah	720 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	48 V
Chemistry	Lead-Acid	Rated Capacity (C20)	500 Ah
Physical Specifications			
Length	827 mm		
Width	519 mm		
Height	627 mm		
Weight	720 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0261868-SL**
 Manufacturer Code: **4 PzS**
