SUNLIGHT 48V 625Ah Traction Battery

Battery / Accu | SUNLIGHT | 0261869-SL

In demanding warehouse environments, sustained 625Ah capacity ensures extended operational cycles for electric forklifts, keeping logistics moving without interruption. This proven lead-acid technology provides consistent, dependable energy output optimized for deep-cycle industrial applications.

Features

- Sustained 625Ah capacity ensures extended operational cycles for your electric forklifts, keeping your logistics moving without interruption.
- Specifically engineered for forklift fleets, providing the reliable power needed for demanding material handling in warehouses and distribution centers.
- Utilizes proven lead-acid technology for consistent, dependable energy output, optimized for deep-cycle applications in industrial settings.
- Built with integrated aqua+ and REMA 320 features, offering enhanced safety and connectivity for seamless integration into your existing equipment.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
48 V	**625 Ah**	**875 kg**

Technical Specifications

General Information

Technology	**Traction Battery**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**827 mm**
Width	**627 mm**
Height	**675 mm**
Weight	**875 kg**

Electrical Specifications

Nominal Voltage	**48 V**
Rated Capacity (C20)	**625 Ah**

Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0261869-SL**
Manufacturer Code:	**11148050625A**
