

SUNLIGHT 48V 625Ah Traction Battery

Battery / Accu | SUNLIGHT | 0261870-SL

The 625Ah capacity provides consistent power for demanding work cycles and extended uptime for electric forklifts in industrial material handling. This lead-acid technology is optimized for deep discharge tolerance, delivering dependable performance across rigorous duty cycles.

Features

- Extended operational uptime for electric forklifts, powered by a substantial 625Ah capacity, minimizing the need for frequent recharging.
- Specifically engineered for the rigorous demands of material handling operations in industrial warehouses and manufacturing facilities.
- Utilizes proven lead-acid technology optimized for deep discharge tolerance and consistent power delivery across demanding work cycles.
- Built for resilience with robust construction and integrated aqua+REMA320 system, ensuring reliable performance and safe integration within industrial vehicles.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
48 V	625 Ah	877 kg

Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	48 V
Chemistry	Lead-Acid	Rated Capacity (C20)	625 Ah
Physical Specifications			
Length	1.027 mm		
Width	526 mm		
Height	627 mm		
Weight	877 kg		

Regulatory Compliance

CE Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3
 Regulatory: CE | Bebat | ADR

Product Identification

Item Code: **0261870-SL**
 Manufacturer Code: **11148050625B**
