EXIDE 80V 3 EPzS 465Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0261882-EX

Industrial logistics operations requiring sustained high-power equipment use demand extended energy reserves. This 80V 465Ah traction battery delivers consistent high-discharge performance, sustaining electric forklifts and AGVs through demanding multi-shift cycles.

Features

- Extended operational capacity of 465Ah at 80V ensures your electric industrial vehicles can perform demanding tasks for longer durations, maximizing fleet productivity and reducing charging interruptions.
- Specifically engineered for heavy-duty industrial applications, this battery powers essential equipment like forklifts, sweepers, and AGVs in demanding logistics, manufacturing, and warehousing environments.
- Utilizing advanced traction battery technology, it provides consistent, high-performance energy output, ensuring reliable operation and extended service life under continuous, strenuous use.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
80 V	**465 Ah**	**1.207 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**1.025 mm**
Width	**564 mm**
Height	**784 mm**
Weight	**1.207 kg**

Electrical Specifications

Nominal Voltage	**80 V**
Rated Capacity (C20)	**465 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0261882-EX**
Manufacturer Code:	**3 EPzS**
