

# EXIDE 80V 620Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0261883-EX

80V 620Ah sustained capacity ensures peak equipment performance over extended periods, preventing costly operational downtime. This high-capacity traction battery integrates aqua+ technology for simplified watering and REMA 320 connectors for secure, high-current power transfer.

### Features

- Sustained 620Ah capacity at 80V ensures your equipment operates at peak performance for extended periods, maximizing productivity and minimizing costly downtime.
- Engineered for electric forklifts, automated guided vehicles (AGVs), and industrial cleaning machines operating in demanding warehouse and manufacturing environments.
- Features aqua+ technology for simplified watering and maintenance, and REMA 320 connectors for secure, high-current power transfer, enhancing operational reliability.
- Designed with integrated safety features and robust construction to withstand the rigors of industrial use, ensuring dependable power delivery.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
<b>80 V</b>	<b>620 Ah</b>	<b>1,532 kg</b>

## Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery (Complete)	Nominal Voltage	80 V
Chemistry	Lead-Acid	Rated Capacity (C20)	620 Ah
Physical Specifications			
Length	25 mm		
Width	708 mm		
Height	784 mm		
Weight	1,532 kg		

### Regulatory Compliance

**CE** Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3  
 Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **0261883-EX**  
 Manufacturer Code: **4 EPzS**
