SUNLIGHT 80V 775Ah Traction Battery (Complete)

Battery / Accu | SUNLIGHT | 0261884-SL

Extended operational uptime is achieved through 80V 775Ah capacity, minimizing recharge disruptions for continuous material handling. This battery is engineered for the rigorous demands of industrial electric vehicles, integrating an aqua+ watering system for simplified maintenance and prolonged lifespan.

Features

- Extended operational uptime with a substantial 775Ah capacity, minimizing disruptive recharging cycles for continuous material handling.
- Engineered specifically for the rigorous demands of industrial electric vehicles such as forklifts and AGVs in busy logistics and manufacturing environments.
- Features an integrated aqua+ watering system for simplified maintenance and prolonged battery lifespan, reducing total cost of ownership.
- Designed with robust construction and REMA connectors for reliable integration and enduring performance in high-cycle industrial applications.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
80 V	**775 Ah**	**1,851 kg**

Technical Specifications

General Information

Technology	**Traction Battery (Complete)**
Chemistry	**Lead-Acid**

Physical Specifications

Length	**25 mm**
Width	**852 mm**
Height	**784 mm**
Weight	**1,851 kg**

Electrical Specifications

Nominal Voltage	**80 V**
Rated Capacity (C20)	**775 Ah**

Regulatory Compliance

CE

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3

Regulatory: CE | Bebat | ADR

Product Identification

Item Code:	**0261884-SL**
Manufacturer Code:	**5 PzS**
