

# EXIDE 24V 150Ah Traction Battery (Complete)

Battery / Accu | EXIDE | 0261885-EX

Without sustained 150Ah capacity, heavy-duty industrial equipment risks premature recharging and workflow interruptions. This 24V traction battery delivers consistent power for electric forklifts and pallet trucks, ensuring extended operational cycles and maximising productivity in demanding logistics environments.

### Features

- Sustained 150Ah capacity ensures extended operational cycles for heavy-duty industrial equipment, reducing the need for frequent recharging and minimizing workflow interruptions.
- Specifically engineered for electric forklifts, pallet trucks, and other material handling vehicles operating in demanding warehouse and logistics environments.
- Utilizes advanced traction battery technology for robust deep-cycling performance, delivering consistent power output and a prolonged service life under rigorous use.
- Features a complete unit design with an integrated REMA 80 connector for straightforward installation and secure, reliable electrical connections.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
<b>24 V</b>	<b>150 Ah</b>	<b>150 kg</b>

## Technical Specifications

General Information		Electrical Specifications	
Technology	<b>Traction Battery (Complete)</b>	Nominal Voltage	<b>24 V</b>
Chemistry	<b>Lead-Acid</b>	Rated Capacity (C20)	<b>150 Ah</b>
Physical Specifications			
Length	<b>660 mm</b>		
Width	<b>145 mm</b>		
Height	<b>590 mm</b>		
Weight	<b>150 kg</b>		

### Regulatory Compliance

Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3  
Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **0261885-EX**  
Manufacturer Code: **2 EPzB**
