

# SUNLIGHT 24V 150Ah Traction Battery

Battery / Accu | SUNLIGHT | 0261885-SL

Advanced tubular plate (PzB) technology ensures deeper discharge capabilities, sustaining consistent 150Ah capacity throughout demanding industrial logistics operations. This high-performance battery integrates seamlessly into electric forklifts and pallet trucks, maximising uptime and productivity.

### Features

- Delivers consistent 150Ah capacity over extended discharge cycles, ensuring your equipment operates at peak performance throughout the workday.
- Specifically engineered for electric forklifts, pallet trucks, and other material handling equipment in industrial logistics and warehousing.
- Features advanced tubular plate (PzB) technology for enhanced durability, deeper discharge capabilities, and extended service life compared to conventional batteries.
- Designed for seamless integration with REMA 80 connectors, ensuring secure and efficient power transfer for immediate deployment.

NOMINAL VOLTAGE	RATED CAPACITY (C20)	WEIGHT
<b>24 V</b>	<b>150 Ah</b>	<b>150 kg</b>

## Technical Specifications

General Information		Electrical Specifications	
Technology	Traction Battery	Nominal Voltage	24 V
Chemistry	Lead-Acid	Rated Capacity (C20)	150 Ah
Physical Specifications			
Length	660 mm		
Width	145 mm		
Height	590 mm		
Weight	150 kg		

### Regulatory Compliance

**CE** Standards: EN 50342, EN 61427, EN 62133, IEC 62619, UN 38.3  
 Regulatory: CE | Bebat | ADR

### Product Identification

Item Code: **0261885-SL**
